

ST. THOMAS THE APOSTLE

THE ABORTION PILL

A CATHOLIC PERSPECTIVE

What happens when someone changes their mind after taking the abortion pill? Join us for an evening with Dr. Larissa Meyer Rodgers, a physician at Life Choices Women's Clinic, to learn about the abortion pill and the hope the abortion pill reversal can offer to women and men who decide they want to choose life. Come learn, be informed, and discover how we can better support those facing an unexpected pregnancy.
